Opinions on Israeli-Palestinian Peace Talks in France

Key findings from a national survey of 1,004 French adults,
conducted April 2011 by Greenberg Quinlan Rosner Research.

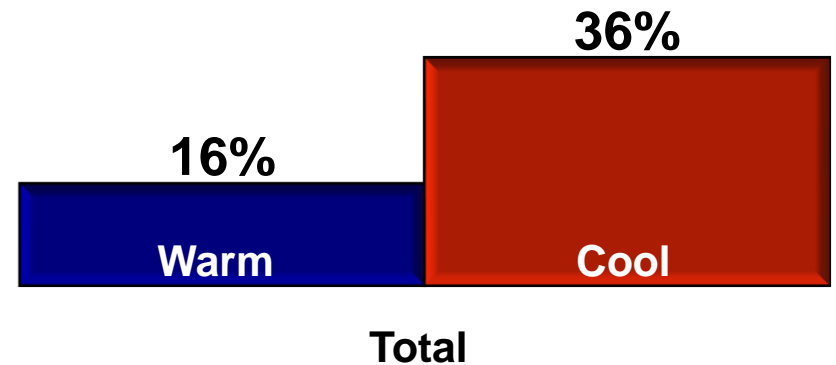

Israel and the Palestinians are viewed coolly.

I'd like to rate your feelings toward some people, organizations, and countries, with one hundred meaning a VERY WARM, FAVORABLE feeling; zero meaning a VERY COLD, UNFAVORABLE feeling; and fifty meaning not particularly warm or cold.

Israel

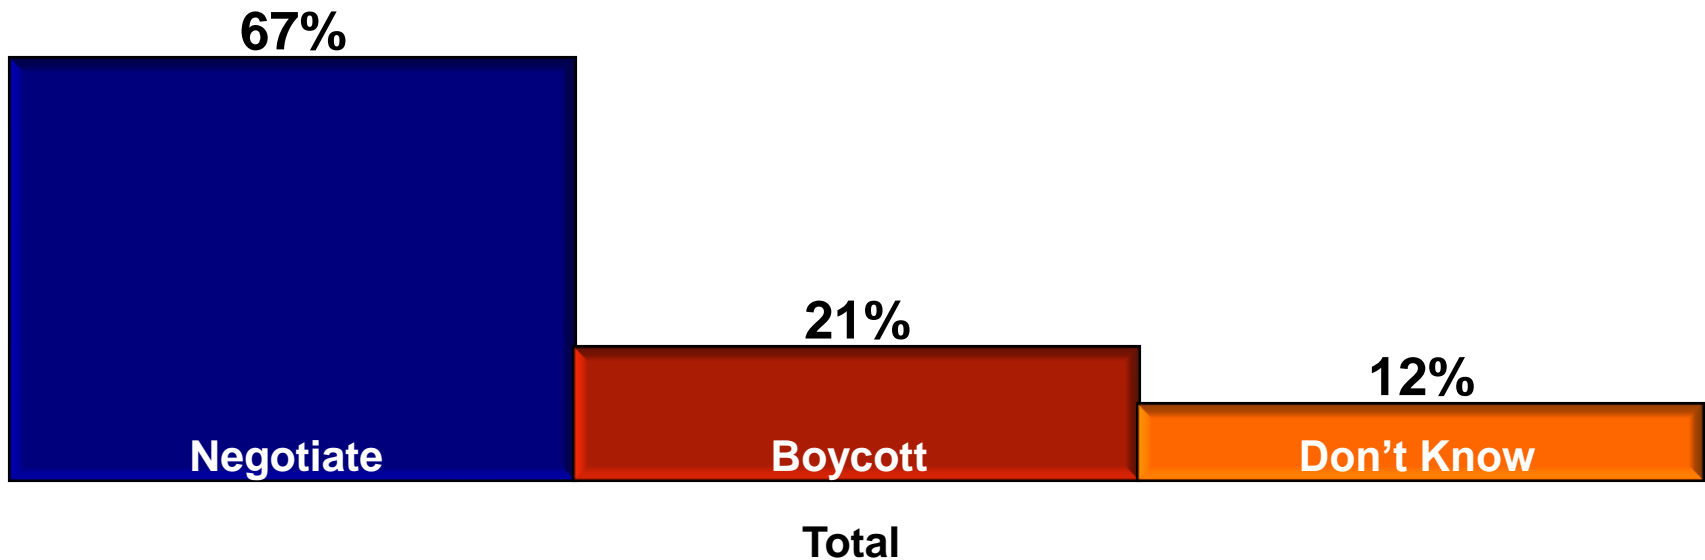

The Palestinians

Two-thirds of French say that Palestinians should negotiate with Israel now.

Do you think that Palestinians should negotiate with Israel now, or continue to boycott talks until Israel halts all settlement expansion in the West Bank and East Jerusalem?
